1. ALLEGHENY COUNTY MORGUE BOOKS

The Coroner of Allegheny County maintained a census of arrivals at the county morgue. The morgue record, from which the index was produced, may include such information as name of deceased, occupation, residence, physical appearance, date and cause of death, where found, disposition of remains, age, and description of clothing and effects. See the Allegheny County Morgue Book Index in the Members Only Section on the WPGS website at https://wpgs.org/cpage.php?pt=54

WPGS will make a copy of the Morgue Book page for one name per order. To request a copy of a page, provide the following information from the Index:

Surname: _____

Volume # _____

Page # _____

WPGS Members: $5.00 per name
Non-Members: $10.00 per name

2. ALLEGHENY COUNTY DOCKETS

WPGS has published the ***Allegheny Index to Dockets*** in the Free Data Files section of the WGPS at https://wpgs.org/fileDownload.php?cid=14&sid=3. WPGS will make a copy of a docket page for one name per order. To request a copy of a page, provide the following information from the Docket Index:

Surname _____

Given Name _____

Vol._____

PDF Page # _____

WPGS Members: $5.00 per page
Non-Members: $10.00 per page

3. WPA HOME SURVEY

The WPA Home Survey compiled in 1936-1937 by the U.S. government provides information on certain Allegheny County properties in existence at that time. WPA Home Survey records include a physical description of the property as well as a draftsman's sketch of the property's outline. Not all addresses are available.

WPGS will make copies of any WPA Home Survey record, provided it is located within the municipalities available. Before you order, please see the list of available municipalities and wards and sample records and complete the WPGS WPA Survey Form and the WPGS Research Services Order Form.
